

Lifting Spirits *One Call at a Time*

Eskaton's Telephone Reassurance Program provides participants comfort and connection during the COVID-19 pandemic, and year-round, to older adults.

Through daily phone calls, Telephone Reassurance Program volunteers provide socialization, comfort and connection at no cost to over 500 participants.

Leveraging technology to practice social distancing, the call center team is operating from several locations.

**Know someone who can benefit
from the comfort of a friendly voice?**

To register for the program, contact **Christie Hebditch** at **(916) 334-1072** or visit: **eskaton.org/TR** and complete an Application.
